

# A GIRL'S GUIDE TO PERSONAL FINANCE

## A GIRL'S GUIDE TO PERSONAL FINANCE

BEECH

BY NANETTE JOELL  
(JOEY) BEECH

*"I'm an adult, and as I read *A Girl's Guide to Personal Finance*, I realized this was the basic guide book on money I was never given as a younger woman. After reading this, I realized there were elements I was missing in my personal finances, and I was inspired to set up an automatic transfer to increase and automate my savings. The advice and guidance Joey provides is sound, practical, and important." - Sara Stibitz*

*This guide is easy to read and provides relevant, important information to people of all ages and lifestyles. Each page will engage the reader as it tells Joey's story, inviting a personal connection to the essential life skill of managing finances. – Dr. Jill Ulrich*

Combining personal stories with practical advice, *A Girl's Guide to Personal Finance* provides the lessons on the fundamentals of money management; you don't even have to be good at math to master them. From understanding your paycheck to setting up and reaping the benefits of your retirement account, this guide will give you the basic financial information every woman needs to manage her finances.

Nanette Joell (Joey) Beech combines her personal stories as a daughter and a mother with her professional experience to provide an insightful guide on personal finance. Her intention is to explain the basics and teach women how to avoid costly mistakes.

Joey was raised and currently lives in the Midwest with her husband of over 25 years.
